Respected Sir,

My Name is Yash Raj Menaria and I am a third-year student pursuing Bachelors of Technology in Mathematics and Data Science from Maulana Azad National Institute of Technology Bhopal. I wish to enrol as an intern in your esteemed company. My preferred mode of internship would be offline and duration of internship would be after 20th May till first week of July (because of my summer breaks). Preferred timings would be the office hours. My choices for internship are Software Development, Data Analyst and Web Development. However, I am open to any domain provided by the company. I would give my best and leave no stones unturned in any way. Here is my resume for your perusal.

Hoping to receive a positive reply from you soon.

Yours Sincerely,
